His Thirtieth Bird Was Hit but Managed to Flutter Out of Bounds-In the Shoot for the State Championship Two Have Clean Scores.

It was a hard fought battle, in which the Vest went down before the East. Simon Glover, of Rochester, N. Y., yesterday won the American champion wing shot cur shoot at the Washington park tournament, against a field of sixty, mostly Western cracks. Mr. Glover killed thirty birds straight. The championship carries with it the Kansas City Star cup, held antil yes-terday by J. A. R. Elliott. The event was begun Thursday morning

and was not finished until yesterday afternoon. When the seventh squad took its slace before the traps yesterday morning dr. Glover and Mr. Crabill, the latter from Clarinda, In., were the only ones out of thirty who had finished to have straight ores. Of those who had shot at only ten birds but ten had clean scores. Out of these ten Harry Orr was picked as a favorite, having killed each of his first ten birds the previous night with one barrel, making the leanest kills of any of the marksmen. But yesterday morning he had lost his form and issed his thirteenth, fourteenth, fifteenth and twenty-fifth birds. Of the ten men, only Lamb and C. C. Herman finished with

The Pimples

That Bloom in

ACCOMMENSATION OF THE PERSON O

The Spring At no other season are Pimples and Humors so

abundant or so annoying as in the Spring. An unseasonably warm day, before change of win-

ter clothing, heats the blood, and these Pimples and Humors itch and burn, and their annoyance, the suffering they cause, is known only to those afflicted. At no time is a blood purifying medicine more

effective than just before and during this season. If your blood is not right (and whose is?) you are liable to be one of these sufferers this Spring.

A course of Hood's Sarsaparilla begun now and faithfully pursued will save you suffering and give you rugged health, so that you can thoroughly enjoy all the pleasures of the coming summer.

Pimpies on the Face. "I have been troubled for three years with pimples on my face and body. I tried several remedies with only temporary relief. I am now taking Hood's Sarsaparilla and it is doing me a wonderful amount of good. My general health is greatly improved, and I feel very thankful for what Hood's Sarsaparilla has already done for me." MISS JANE JABROSEY, Burnham, Illinois.

THOMAS PITCHED GREAT BALL

HE HELD THE BLUES DOWN TO THREE SCATTERING HITS.

But for Errors Behind Him He Would Have Shut Out the Home Team-Danny Friend's Clever Work -Score 6 to 2.

The magnificent pitching of a broad oung man called Thomas was responsible or the defeat of the Blues yesterday. He held the locals down to three hits and but for errors behind him would have shut them out. Danny Friend pitched a fine game for the Blues, who went to pieces behind him in the first and second innings

and against the odds of an adverse getaway never allowed a hit in the third, fourth, fifth, sixth and seventh innings. Outside of the fine work of the pitches the game was devoid of especial interest. There was nothing sensational about it. Hunky Hines, an ex-

fence for two sacks and scored on Deady's single through the diamond. Burnett sacrificed and Dungan filed out to Bannon. Whistler put a high one into right field that would have been an easy out but for the sun dazzling McVicker, who was compelled to run away from the ball, which became a threebagger in consequence. Steinfeldt retired the side with a grounder to Connegitation.

Winners at Churchill Downs.

Louisville, Ky., May 21.—With good fields and a fast track the sport was above the average at Churchill Downs to-day. Of the live events three went to outsiders, Duaois, the favorite, won the Frank Fehr stakes of one mile. The play of the day was made on Reprieve and from 12 to 1 the odds were cut in two. Something like \$5.00 went on him, principally from the stable. Just as the flag fell Reprieve's head was caught in the starting machine and she was tentle to her knees. Her head was thrown back until it almost hit Jockey Hill. She was twenty-live lengths behind when he again got her in motion. Dunois showed the way the entire route, winning handily. Summaries:
